

Haliburton's Frost Festival

February 18th, 2012

FAMILY FUN

Come chill on Family Day weekend at the Haliburton Frost Festival held in Head Lake Park. Jump start the day with a warm pancake breakfast, then take the kids for a pony ride or maybe jump on the horse drawn wagon or dog sleds for a tour. Snow Taffy, Skating, Snowshoeing, Arts Activities, Broomball, etc. promise to make this a family event that you'll never soon forget.

Dress for February weather and plan to come out and celebrate all that Haliburton's winter environment has to offer.
